The City of Fordsville, Kentucky is providing this letter to commend Bamaco, Inc for their outstanding performance and efficiency in providing Emergency Debris Removal Services for our City, which was profoundly impacted by the Winter Ice Storms of 2009.

Pete Gonzalez managed the day to day operation's insuring the cleanup process up would meet the deadline, he was a valuable asset in providing our County with the necessary experience and dedication needed for our City to return back to normalcy.

The cleanup effort was performed safely and efficiently allowing the City's streets to be free of storm debris.
