RE: Reference Letter

Dear Mr. Mitchell:

The City of Grove received bids from over 40 contractors on the ice storm debris removal in January 2007. After an in-depth selection process Bamaco Inc. was selected.

Bamaco Inc. did a good job for the City. They communicated and worked well with the City during the clean-up process. They completed the project approximately two-weeks ahead of schedule. The City of Grove was pleased with the work performed and would recommend Bamaco, Inc. to other municipalities for debris clean up.

Please do not hesitate to use the City of Grove as a reference. My contact number is 918-786-8798 ext 120.

Sincerely,

A handwritten signature in blue ink that reads "Debbie Mavity". The signature is written in a cursive, flowing style.

Debbie Mavity  
Assistant City Manager
