To Whom It May Concern:

On January 12, 2007 our community, as well as most of southwest Missouri, was devastated by the effects of a major ice storm. Many towns are still in the midst of the clearing of debris.

Thanks to the efforts of BAMACO, Inc., our clean-up process was able to be completed in an efficient, timely manner. The BAMACO team and their sub-contractors were professional, courteous and were willing to go the extra mile when necessary.

From start to finish, they monitored every aspect of the project and provided a complete, quality project.

I do not hesitate recommending BAMACO, Inc. for your consideration.

If I can be of any further assistance in this matter, please contact me at 417-258-2466.

Sincerely,
